Greatness Lies not in Being Strong but

in the Right Use of Strength;

and Strength Is not Used Rightly When It Serves

Only to Carry a Man Above His Fellows for His Own Solitary Glory

He Is the Greatest Whose Strength Carries

the Most Hearts by the Attraction of His Own.

Farewell Mr. George

Regina,

HI!! Well, weive been best friends for a long time and Ive loved every minute of it. I hope we will always have this special friendship for each other. Ive had alot of fun doing everything with you and just being with you. You really are a super person and have a great personality. I don't know what I would have done without you in High School. If there is every anything I can do for you just let me know. Like any school work you don't understand just ask and I'll try to help if I can. Or if you just need to talk give me a call. I think our Sr. year is really going to be a great one. I never will forget all the camps we went to in th Summer. I really learned alot at them. Good Luck with Keith this year. You're a very special person to me and I Love ya and always will. Stay the way you are (nice, pretty, + sweet).

Love Ya,
Your friend Always,
Robin C.

You well probably find a nother guy you like more then me, I will mis you alot but I. don't want you to weary about me because you will probably find a guy at college and I will probably start going out and dating other girls. I will never foregit you because I at first did not think ~~there~~ ~~you~~ a whole lot and was not sure if you liked me but after so long I finally got were I thought alot about you and I'm pretty sure you think alot of me there are times were we get mad at each other but we alway MAKE UP. this letter probably doesn't make a whole lot of scence but you know I don't know really what I'm saying or I don't really don't like to write.
